The Boone County Sheriff's Office smartphone app was developed by TheSheriffApp.com, a division of OCV, LLC which specializes in mobile app development for sheriff's offices and public safety organizations across the country. The app offers quick access to items of public interest and is easy to use. In just a few clicks, users can access features such as:

- Contact Us
- More!

"Nearly everyone today has a smartphone, and this is just one more way that we can be proactive by making what the BCSO has to offer, easily accessible, to the citizens of Boone County, IN and also for those interested in learning more about our agency. Simple links within the App, as listed above, allows users to gain access to the information they seek in a timelier manner than ever before," said Sheriff Mike Nielsen.
